

## Chairman's Message

Dear Parents, Teachers and students,

We extend a warm welcome to all of you to the scholastic year 2026-27. We thank you all, for the great things you have done in 2025. We are glad to see the students achieving great success in their schooling. We acknowledge the incredible patronage of parents, the first stake holders and their unwavering support. Today, we see that the school has completed 60 years of its inception and grown immensely by leaps & bounds, making its brand in the society. With the immense support of parents, students and teachers, today BIGI is expanding.

We continue our child centered approach and concentrate on the progress of every individual student. Our attempts continue to enhance the global status of students by providing opportunities to learn and collaborate at global standard with the global facilities including a world class environment at all branches including a future global BIA university at Channarayana.

We carry forward the inherited ethos, culture, value system and tradition of BIGI all over the world, serving the students with the best quality education in abundance. It's a great honour to appreciate Dr Abraham Ebenezer, Academic Advisor, the Principals and teachers for the zeal and dedication in molding the students future and shaping BIGI.

I beseech all the students to utilize all the opportunities and facilities to their best growing and learning. Wishing all of you a very happy Diamond Jubilee of BIGI Jayanagar. BIGIes keep rocking as

**Rtn. Dr. D. Muniraju**  
Founder Chairman, BIGI

## Editorial

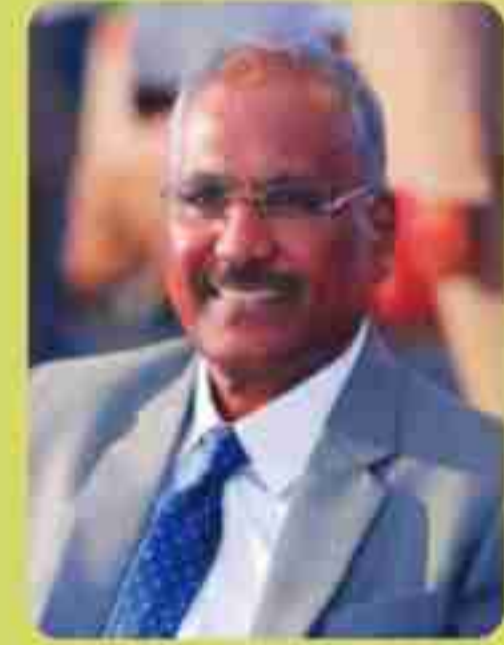

The wheel of time has been busy with BIGI, travelling an incredible journey of 60 years in the service of students. This is indeed a remarkable contribution to the enlightenment of humanity. BIGI Jayanagar is lit up with the illumination of Diamond Jubilee lights. 2026-27 will be a year of celebration of achievements with a vision. The Midas touch given by the Founder Chairman, Rtn. Dr. D. Muniraju, Founder Chairman to the growth of the school, students, teachers & staff is very unique and exceptionally great. Its evidential in his constant involvement in offering the best quality education to the children.

Shakespeare once said "a child is a father." Today, the way the Gen-Z & Gen Alpha Generations are responding to reality, shows that their intellect is perhaps faster than the speed of light. They can challenge or change any system and bring in a new one. It's a revolutionary phase of the youth of today facing the present and future challenges. Handling such an intellectual generation is a special skill of gods to the parents and teachers.

As educators & parents we must devote ourselves totally to revamp our thought system and align with the one of today's children. With the powerhouse of students' talents, by giving the right direction to them at the right time we can achieve an ideal society. In order to help them reach such a successful phase, we as parents and teachers, must travel along with them in each and every sphere and endeavor they undertake. We at BIGI are completely equipped with a renewed mindset and rejuvenated energy to take this quest on. And this revolutionary pursuit to achieve great success for the children of BIGI is unmatched, incomparable and unstoppable.

## Mentor's Message

I take this opportunity to warmly greet and welcome all the students, parents, and staff of Bangalore International Group of Institutions to the academic year 2026-27. It gives me immense pleasure to learn that the seventh issue of the school newsletter is ready for publication and I am very glad to write a message for the same. Education is an unending life long process. Bangalore International Academy is truly part of this rigorous process.

We strive hard to ignite the minds of our students with creativity and innovative ideas. As Aristotle once said "Educating the mind without educating the heart is no education at all". Keeping this in mind, we teach our students value systems like compassion, humility, generosity, kindness and community service. As the new academic year begins, we at BIGI look to advance and refine our foundations of honored traditions, great work and excellence in education. We encourage and invite our Parent committee to work with us towards the progress of the lives of our students. We take great pride in our well qualified educators and our support teams who are highly committed to providing students with opportunities in every nuance of their childhood. With a supportive and committed management, dedicated teachers, caring and co-operative parents, Bangalore International Academy blends harmoniously to create child-centric school.
